Hello,
At this time, I have received and reviewed most of the comments on the SAP and QAPP. However, if you have not had a chance to submit your comments please do so by **October 7, 2014**.
Thanks again for your assistance.
Tanya

Subject: Rolling Knolls QAPP

Hello All,
Attached is a pdf of the QAPP for the Data Gaps SAP (previously referred to as the Fall 2014 sampling Work Plan) for Rolling Knolls. Hardcopies with CD of the report should be delivered to you today.
Although the QAPP arrived a few days later, your comments on the QAPP are also **requested by October 7, 2014**. If you have any concerns with providing comments by the requested date please give me a call. In addition, please use the following format for your comments.

Section 3.7.1 Description, paragraphs 3 and 4:
